Create your own **Plant a Kiss** seed packet. Cut on the green lines, fold on the dotted lines, add seeds* & glue tabs.

INSTRUCTIONS: PLANT A KISS, SUNSHINE, WATER, GREET, REPEAT, WAIT AND WAIT, SPROUT, SHOUT, GATHER ABOUT...

then **SHARE!**

FROM HERE TO THERE, HIGH AND LOW, EVERYWHERE, FROM ONE LITTLE KISS...

ENDLESS BLISS!

* Any seeds will do! Grass seed is affordable, but it might be fun to surprise folks with something like *Lamprocapnos spectabilis*.
